

Lord Help Us When We Are Frightened

By faith we see when darkness
hides meaning from our eyes.
By faith we walk with courage
when strength within us dies.
With hope we face tomorrow
and look beyond this day.
With hope we journey onward
when we cannot see our way.
Lord help us when we are frightened
and see ourselves alone.
Lead us to God who gives us
good bread and not cold stone.

(hymn by Walter Farquharson)
